

P01201

Portable Electric Bidet

Ultimate Clean, Anywhere — For Travel and Daily Comfort

Core Technology, Professional Cleaning

Featuring a high-precision chip that delivers smooth, stable performance for any situation. It automatically powers off when water is low for safety, while its ergonomic curved handle provides precise control—whether sitting, squatting, or lying down.

One Button, No Squeeze

Say goodbye to squeezing — a single button activates a gentle flow. Choose from 3 adjustable modes (Gentle, Standard, or Powerful) to perfectly match your comfort and cleansing needs.
